Aveda Customized Facials

Advanced Customized Facial (90 min.) **\$100**

A customized treatment that relieves stress and balances face body and mind. This head to toe treatment will bring you to a new state of renewal.

Outer Peace Acne Relief Treatment (90 min.) **\$100**

A total solution personalized for your skin that not only treats acne symptoms but also its causes. This can also be customized as a back treatment.

Tourmaline Facial (90 min.) **\$100**

Energize and hydrate your skin with this illuminating facial. Give your skin a natural boost with tourmaline, an energizing mineral that will help kick start natural function. Treat your skin with our massage in masque that will hydrate and invigorate.

Enbrightenment Facial (90 min.) **\$100**

Illuminate your skin with this signature facial. Aveda's plant powered Brightening Blend will help to diminish the sign of hyperpigmentation, leaving the skin youthful and luminous.

Green Science Anti Aging Facial (90 min.) **\$100**

Organic Cactus, Glucosamine and Argan Oil leave the skin feeling soft and smooth. Designed to help boost surface cell turnover and nourish the skin, this facial will bring your skin back to its youth.

Dual Exfoliation (90 min.) **\$130**

This non invasive skin renewing treatment combines Avedas naturally derived mechanical and biochemical exfoliation methods to transform the skin, improving the texture clarity and radiance.

Facial Enhancement Add Ons:

Anti-Aging Plant Perfecting Peel **\$15**

This treatment is a gentle alternative to glycolic peels. This masque uses glucosamine to break down dead surface cells as well as break down protein bonds that hinder the skins function. The peel leaves the skin soft and rejuvenated without any inflammation.

Botanical Skin Resurfacing **\$15**

Aveda's innovative alternative to microdermabrasion. This treatment smooths skin's texture, reduces the appearance of fine lines and diminishes pore size while significantly increasing radiance. Results are comparable to microdermabrasion but with no irritation or inflammation.

Aveda Body Treatments

Hydrating Body Polish (60 min.) **\$85**

A skin refining body treatment using natural minerals and sea salts enhanced with Aveda aromatherapy oils. The skin is left feeling smooth, soft and hydrated.

Rosemary Mint Awakening Body Wrap (60 min.) **\$85**

Renew your body and mind with this stimulating herbal wrap. Your entire body is exfoliated, smoothed and wrapped in the essence of rosemary and mint.

Sea Science Detox Wrap (90 min.) **\$100**

This rejuvenating experience uses healing touch and ingredients from the sea to renew the body and senses. An exfoliating treatment followed by a detoxifying seaweed wrap and finished with a hydrating massage treatment.

Chakra Balancing Massage (90 min.) **\$100**

Balance your body and soul with this Aveda Signature treatment, a combination of aromatherapy, relaxation and hot rock massage with a guided meditation. This massage will leave you feeling balanced and rejuvenated.

Therapeutic Massage (90 min.) **\$120** (60 min.) **\$80**

A registered Massage Therapist will target the service to your specific needs. Chronic muscle tension or knots in the deeper tissue will be addressed.

Relaxation Massage (60 min.) **\$65**

A certified Aveda Spa Therapist will use light to medium pressure in a smooth flowing style in order to reduce stress, relieves tense muscles and promotes general relaxation.

Hot Stone Massage **\$120**

Use of essential oils and the application of heated basalt stones to key points on the body, giving a deep massage and creating sensations of comfort and warmth. This type of massage stimulates the circulatory system, softens and relaxes muscles and promotes a state of deep relaxation.

Stress Fix Massage **\$75**

Let your stresses melt away with the relieving aromas of Lavender, Lavandin, Clary Sage and Vetiver.

Reflexology **60 minutes - \$60**

Based on the science that the foot mirrors the reflexes of your entire body. By working the whole foot with gentle, firm pressure, you can affect the whole body by creating balance, health and homeostasis.
